

Perth GPRL

Garden Cottage Spirituality Centre

For the 1st time, a GPRL course took place last session in the Garden Cottage Spirituality Centre, under the auspices both of the Centre and the area EG.

Tutors were Cathy Backett (Smyth), Carmel Byrne, and Cath McManus. 14 people began the course, though 1 left halfway through to do something else - very amicably.

There was a good denominational mix with, rather unusually, a slight predominance of people from a Baptist background. RC, Episc., and C.of S. were all represented. 1 had at that time no church affiliation.

Age range was from 39 - 65, with the older end being the majority.

They seemed to enrich each other and gave every appearance of enjoying each other's company!

We had hoped to run GPRL again this session but unfortunately did not attract sufficient people.

Instead, we are offering 2 evenings each term, on the theme of God's Love, to those who did the course last time as well as those who would have liked to do it this time. Thus we hope to create a prayerful and supportive space for both groups. As 17 have signed up, we seem to have struck the right note!
