

Report from Perth Group 2008 - 2009

Members continue in the work of spiritual direction and in our group supervision.

The theme for our programme of Quiet Days this year was to look more deeply at different aspects of Jesus' personality. Days were led on "Jesus as ... Teacher; Healer; Family Man; Challenger; Outcast; Prophet; Story teller; Servant".

We led two 7-day retreats with around 10 participants in each, firstly in June in Blair Atholl, entitled "Awakening to God", and later in September in Glenesk on "Finding God in All Things.

The group has also been invited to provide input for the Education and Congregational Development programmes for the Diocese. We are encouraged that we have been invited.
